

DRIVING DIRECTIONS FROM LONG ISLAND/QUEENS

Note: Map will print clearly

Take the LIE/495 West toward the Queens Midtown Tunnel.

Take the last exit before the toll, Exit #15, Van Dam Street.

Continue straight through the light onto Borden Avenue -- it will jog left under the LIE overpass, then quickly right again. You'll cross over a small bridge and pass under a railway trestle (you'll also see our large Jumbotron with a red pole).

FreshDirect is the large yellow building on the left side of the street -- the pickup area is in the middle of the building, just in front of the truck bays, under the "Order Pickup" sign.

New! Call our Order Pickup desk at 718-928-1575 five to ten minutes before you arrive and we'll have your order ready and waiting when you pull up.

If you get lost - or have questions about your account or previous orders - call our Customer Service department at 1-866-279-2451.
